## 2008 STLP State Championship Cinemaniania Contest

#### Contest Details:

On Sunday, May 4 at approximately 4:00 p.m. (Eastern time), a list of top-secret elements - special props, dialogue, settings - you get the idea, will be posted. Registered teams will choose any three elements to include in their movie. Then all you have to do is write, cast, shoot, edit, score, and produce a three (3) minute masterpiece within 48 hours. No problem, right?

Once the films are in, friends, family, and adoring fans will be able to watch them at the STLP State Competition or online and rate their favorites. The Top entries with the highest ratings will be screened by industry professionals and celebrity judges.

Each member of the two winning teams (one winner for "People's Choice" and one winner from our judges), will receive a prize. How's that for a Hollywood ending?

Projects will be judged on: **Content** (script/ story, creativity, originality, coherence); **Aesthetics** (visual creativity, cinematography - including lighting); **Technical Excellence** (camera operation, editing, effective use of special effects, effective use of titles); **Final Product** (overall impression, enjoyment factor, cohesiveness)

**Teams must register for this special contest by March 15.** (\*depending on number of teams, special considerations may apply)
